

# Identify your water system

When you are deciding what style of shower you require, you need to determine the type of water heating system you have installed in your home. This will affect your choice of shower and the shower's performance. To identify the type of system you have installed, there is a guide outlined below. You could also ask a qualified installer or call our customer service department on 01282 471385. This will ensure you pick the correct shower and enjoy your showering experience to its full potential.
